## MISCELLANEOUS NEWS

### WISCONSIN TAX DEDUCTION

Beginning with the tax year 2014, the State of Wisconsin introduced legislation (Wis. Stat. § 71.05(6)(b)49), in which private school tuition payments paid on or after January 1, 2014 are eligible for an annual income tax deduction. Qualified taxpayers may potentially claim up to the deduction limit (\$4,000 in 2021) for each dependent child in grades

Kindergarten through 8th and up to the deduction limit (\$10,000 in 2021) for each dependent child in grades 9th through 12th. Tuition claimed must be paid in the tax year in which it is being filed.

This 2022 tax year, many families may have two tax statements, one from TADS and another from SchoolAdmin. Below are the links for you to access both systems to get your information.

**TADS (2021-22 or prior)**

For any payments made in the tax year 2022 for the 2021-22 school year or prior, you will need to access a tax form from TADS. You can log into [TADS](#). If you have any questions, please reach out to TADS at 1-800-477-8237.

**SchoolAdmin (2022-23 or later)**

For any payments made for the tax year 2022 for the 2022-23 school year, you will need to access the tax form from [SchoolAdmin](#). To obtain your tuition payments, log into your SchoolAdmin account and click the billing tab. The tax statement is a link located within the ledger header. If you have any questions, Student Accounts can be reached at [studentaccounts@LHSAGM.org](mailto:studentaccounts@LHSAGM.org) or 414-261-0280.

For more information on how to claim these expenses, log into your click on the Wisconsin Department of Revenue form: [Schedule PS - Private School Tuition](#). In preparing the form, taxpayers will need our FEIN which is **39-0889672**, as well as the amount of tuition paid last year.

*The presented information is not legal or tax advice. The LHSAGM is prohibited from giving or providing tax advice. Please consult your tax advisor for specifics on your personal circumstances.*

**PROM ATTIRE DONATIONS NEEDED**

Journeys Lutheran School is hosting their first ever prom. They are collecting donations of prom dress attire (ties, dresses, shoes, jewelry, etc.) during the month of February for their students. Donations can be dropped off in the LCL School Office by February 28th.

---

## PROCEDURES FOR SEVERE WEATHER

In the event of severe weather conditions, please watch for an **email notification from LCL's office** and **tune your radio and/or TV to WISN Channel 12** for school closings. Because weather conditions vary from one area to another, parents should use discretion in sending their son/daughter to school even though school may be in session on campus. A general guideline to use in making the decision would be to follow the decision made by your local public school district. Should a sudden snowstorm force school to close before the regular closing time, please make sure that your son/daughter knows exactly where to go and what to do should no one be home during the school day. An occasional "snow day" cancellation might involve the closure of campus and the cancellation of classes/activities. However, there may be some circumstances, due to recurring snow days, that necessitate the use of a "Digital Day" during which the campus is closed but academic activities will be hosted online for students through the school's learning management system, Schoology. In those cases, the campus closing announcement in the school email alert and the Schoology announcement will include the accompanying notice of a "Digital Day" and students should subsequently login to Schoology for instructions from their teachers.

### **CALLING ALL LIGHTNING NATION!**

The 2022-23 sports season is underway, and we are "casting the net" for your continued support.

The athletic programs at Lake Country Lutheran aim to provide exceptional experiences in a Christ centered environment for our student-athletes. Your generosity and backing are essential factors in achieving this goal. Athletics are certainly a very valuable and central component of the education process, especially for student-athletes. Our desire is to provide opportunities, coaching, facilities, equipment, uniforms and gear, environment, atmosphere, and all things related, that are way beyond the norm of what most people expect. That is truly a bold statement, but is exactly what we intend to do! Your donations and contributions (whether it be prayers, time, finances, etc.) supplement our athletic budget and allow us to pursue our vision with priority and passion.

Please share this link below with friends or relatives that also have a passion for supporting our students' participation in athletics at Lake Country Lutheran High School. Thank you so much for your committed partnership with us. Go Lightning!

## SCHOOL CHOICE FUNDING

Our LCL community benefits from funds received through the WPCP State Choice programming.

Governor Evers has asked for opinions from the people of Wisconsin about what should be included in his upcoming budget. Increasing support of School Choice funding would greatly assist high quality Choice schools such as Lake Country Lutheran High School. These high quality Choice schools would benefit from a change in the state budget that would increase the allocation per student enrolled in Choice schools to equal the allocation per student at public schools. [Click this Link](#) to voice your opinions.

The first meeting was November 22nd and the second meeting will be Thursday, February 23rd from 5:00pm to 5:30pm at Martin Luther High School.
